

To whom it may concern,

This is a testimonial of mutual cooperation on qualification of welding personnel to the requirements of AWS D17.1/D17.1M:2010 “Specification for Fusion Welding for Aerospace Applications” with LOT Aircraft Maintenance Services Sp. z o.o. located in 17 Stycznia 45C, 02-146 Warszawa.

The process of qualification was supervised by our AWS Certified Welding Inspector Mr. Andrzej Gąsior.
